

# J2FAB Cobra Ultimate Cooling Hose Kit

This list will serve as a recommendation for plumbing your A2W system in your 03/04 Cobra assuming all J2FAB components used. Changes can be applied where changes to the system have been made, but this guide will still serve as a reference in regard to fitting count and hose lengths.

- [-20AN Straight Hose end](#) - QTY 4
- [-20ORB to -20AN](#) - QTY 1
- [-20ORB to -16AN](#) - QTY 1
